

PayPoint Cards

Harlowsave Credit Union will provide PayPoint cards, free of charge, to members who want the flexibility of paying cash sums of £10 or more into their savings/loans account. This can be done at any one of thousands of PayPoint locations anywhere in the UK, including any branch of the Post Office.

Unlike many financial service providers Harlowsave, will not charge you for using the PayPoint service to pay in sums of £10 or more. We will bear the cost ourselves as part of our commitment to making it easier for our members to save money.

Please let us know whether or not you would like a PayPoint card:

Yes I would like to have a Harlowsave PayPoint card to help me save.
